## WITH KIRTAN AND DASİ KARNAMRITA

friday, **november 13** | 7:30pm - 9:00pm | \$25

**Braj** (another name for the larger area surrounding Vrndavan), is famous as being the village where Radha and Krsna came to express their love, the birthplace of Krsna, as well as being home to over 5,000 temples, and many sadhus and saints. It is considered to be one of the most beautiful and sacred places of pilgrimage in all of India. Having both lived and studied there for almost a decade, Kirtan and DASİ Karnamrita will present an evening celebrating this village from a personal journey of transformation to every day life lessons taught by living with the Brijbasis (villagers). The evening will include personal tales and story-telling, slide shows, Puja (offerings), and a special ritual that takes place only during this time of the year, as well as local songs and kirtans led by DASİ Karnamrita. Come experience the Rasa (mood) of this celebrated land — a land rich in love, temples, and song, that is sure to warm and transform any heart.

**Kirtan** completed Teacher Training at the Krsna-Shakti Ashram in Sao Paulo with Regina Shakti, one of Brazil's foremost Hatha Yoga masters.
